

NEWS RELEASE

8th February 2021

INCREASED DEMAND FOR SERVICES FUELS FOURTH ADDITIONAL CONSULTANT RECRUITMENT IN FOUR MONTHS

Compliancy Services, one of the UK's leading providers of compliance consultancy and regtech services, is delighted to announce the appointment of Thanos Delizisis as a Consultant within the Capital Markets team. Thanos joins from ACA Compliance (previously Cordium Consulting) where he worked for over four years supporting clients in the hedge fund, private equity, investment management and corporate finance sectors.

He is the fourth additional Consultant to join the Compliancy Services' Capital Markets team in the past four months. In the second half of 2020 Compliancy Services [strengthened their service offerings](#) and firms are finding the genuinely fresh approach compelling, with the result being an increased demand for their services.

Thanos is a highly qualified consultant with a particular specialism in Private Equity. He has notable hedge fund experience and knowledge of AIFMD, MiFID II, SM&CR and Financial Promotions. He is also a member of the Chartered Institute for Securities & Investment (CISI).

Philip Naughton, Joint CEO of Compliancy Services explains, "We are delighted to have Thanos join us and we are excited by the prospect of further increasing our client base in Capital Market sectors that include Asset Management; Broker Dealers & Traders; Corporate Finance; Crowdfunding; FinTech; Infrastructure; Investment Management; P2P Lending; Private Equity; Venture Capital; Wealth Management."

About Thanos Delizisis

Thanos is a Consultant within our Capital Markets team. He offers support to help our clients manage their day-to-day compliance obligations and assists them with their ongoing compliance needs. He provides specialist support in the areas of AIFMD, MiFID II, SM&CR and Financial Promotions and is a member of the Chartered Institute for Securities & Investment (CISI).

Before joining Compliancy Services in February 2021, Thanos spent over four years at ACA Compliance Group (previously Cordium Consulting). During his time with ACA, he worked as a Compliance Consultant, where he supported a portfolio of clients in the hedge fund, private equity, investment management and corporate finance sectors. In addition, as part of an internal secondment, he spent one year with the regulatory hosting platform Mirabella Financial Services LLP.

Thanos' experience in compliance stems from his legal education where he earned a LLB - Hons in Law from the University of Sunderland and a LLM in International Commercial Law from University College London. He has also completed his Legal Practice Course (LPC) from the University of Law and holds a diploma in Investment Compliance from the CISI.
